Top Skills

Web Applications Developer

Android Application Developer

ian wanjohi

Fullstack Developer | Web and Android Apps.

Nairobi County, Kenya

Summary

I am a passionate Developer at DevsyTech and also part of Finecofws, with experience in building dynamic websites and applications. I specialize in backend development and have a strong focus on creating efficient, scalable solutions. Always striving to improve my skills, I enjoy taking on challenges that push the boundaries of what's possible in web and app development.

I am committed to delivering high-quality, user-friendly experiences and thrive in collaborative environments where innovation and problem-solving drive success.
